853	C	B	<b>BAHAWALPUR - REVENUE STAMPS:</b> c.1880 court document with an 8a embossed seal, heavy folds but the facial appearance is fine. [The 18 lots offered here constitute what is probably the most extensive array of Bahawalpur revenues to appear at auction since our sale of the wonderful "Hyphasis" Collection on 8/10/2005. It should be noted that there is virtually no overlap between the two offerings]	100T
