Lot 943

943	**	A	1996 Health (Teddy Bear) M/S as SG MS2002 but from the original printing with the <i>Teddy Bear & Baby Facing Forwards</i> , unmounted, STC €12,000. See <i>Gibbons'</i> footnote. Unlisted by <i>Campbell Patterson</i> . [The design caused an outcry because the baby should have been facing the rear of the car to comply with safety regulations. The stamps were immediately withdrawn & redesigned. However, some were released "in error". According to our sources, the original M/Ss had been distributed by the printers, <i>Enschedé</i> in the Netherlands, to their staff before the recall was announced]	2,400T
-----	----	---	--	--------

Lot 944

944	**	A	1996 Health ditto , but incorporating the <i>Capex 96</i> logo at lower-right, unmounted, STC €12,000.	2,400T
945	B		Booklets: 1960-2006 comprehensive collection including 1990s-2000s "Prestige" types, in three albums, many duplicated. Painfully high face value. (100s)	500
