**Lot 959**

959	PS	A	<b>Wrappers - Official:</b> 1901 'POSTAGE/ER/FREE' on wrapper with imprint of the <i>Printing &amp; Stationery Department</i> at lower-left, addressed to the postmaster at Auckland with an instruction to deliver to a private individual "on payment of costs as advised". [Not seen by us before & <i>Samuel</i> unfortunately didn't list items not considered postal stationery by the FIP, though of course he did include the stamped telegram. It would appear that the enclosure was an item - perhaps a newspaper - on which postage had not been paid]	500T
