QUEENSLAND - Postal History				
396	SΔ		Stockbook with a sorted array of Barred Numerals & Rays on a wide variety of stamps, some multiples & many on piece, lots of high numbers. Queensland postmarks were generally poorly manufactured and consequently fine strikes are the exception rather than the rule. This lot includes a high proportion that are well above average with numerous very fine to superb strikes. Completely unchecked by us: we want you to have all the fun! (400+)	500T

**Lot 397**

397	C	B	1886 (March 9) unstamped cover to England "Via Sanfrancisco" from 'NORMANTON' with very fine strike of the very rare 'INSUFFICIENTLY PREPAID/FOR ROUTE INDICATED' h/s & fine boxed 'DEFICIENT POSTAGE ("6d")/FINE ("6d - 1/-")' h/s - of a type not recorded by <i>Campbell</i> - both applied at Brisbane (b/s), sent via the long sea route & with British 'I.B./S/1/-' tax h/s , superb 'PRESTON' arrival b/s, repaired flap tear. An exceptional cover. [Of the first marking, <i>Campbell</i> at page 118 states "...only one example is known,...on an 1883 cover...". We are confident this cover has not previously been reported as we discovered it in a private vendor's unsorted material]	1,500T
