990	PS		1910 King George 1½d carmine/blue 'IF USED FOR TRANSMISSION ABROAD...' on Reverse HG A1 early commercial usage to Italy in 1911 but the additional ½d adhesive has sadly been removed, minor blemishes; and another overprinted 'SPECIMEN', stuck otherwise very fine; then 1912 1½d 'SHOULD ANY OTHER MATTER...' on Reverse HG A2 superb unused; and commercial usage to Bavaria in 1912, faults. A rare quartet. (4)	200T
