Lot 747

747 G A **1860-64 Printed at Perth from Perkins Bacon Plates** Imperf 6d sage-green SG 28, close even margins, indistinct but mostly light cancel, Cat £400. *BPA Certificate* (1957). [This is not a particularly scarce stamp but examples with full margins are extremely difficult to obtain]

400T

Lot 748

748 * B **1861 Perkins Bacon** Very Rough Perf 6d dull purple on blued paper SG 45, a little faded, apparently with large-part o.g., Cat £2750. A rare stamp. [*Cecil Walkley's* very fine unused example sold for \$5520 at our auction of 14/4/2005, at which time it was catalogued at £1600]

3,000

Lot 749

749 F (A) **1864-79 CC** 2d mauve *Error of Colour* SG 55b, attractively cancelled with void-grid & small-part of an unframed cds both in bright blue, Cat £11,000. *RPSofV* (1998) & *Ceremuga* (2007) *Certificates* both state that the stamp has been re-perforated at base & left. A popular rarity, of which there are very few used examples recorded, this example stated to be the only example with a coloured cancellation. [*Cecil Walkley's* very fine used example sold for \$24,150 at our auction of 14/4/2005, at which time it was catalogued at £5500]

8,000

Lot 750

750 P A **1882-85 CA** Perf 12 4d colour trial in olive-green, large-part (disturbed) o.g. *Ceremuga Certificate* (2007) states "Great rarity as only several recorded" and, in pencil, "3 recorded and in fact probably only 3 made". [There is no example in the *Royal Collection*, nor was there one in any of the *Chadwick*, *Gartner*, *Juhl*, *Basterfield* or *Dr Cecil Walkley* collections]

5,000
