[The 1881 Regulations stated that underpaid letters were subject to payment on arrival of the unpaid postage plus a flat fine of 6d]   | 300T      |

| 447  | C/CL | A-/B    | <b>'DEFICIENT POSTAGE' MARKINGS - HOBART:</b> 1886 unstamped OPSO cover affixed to a larger envelope both with 'Mayor of Hobart' imprint & the smaller item signed "JGDavies", the larger item endorsed "From/Director of Waterworks", to Melbourne with 'Deficient Postage ("6d")/Fine("2d - 8d")' h/s overstruck with 'MORE TO PAY'-in-oval of Melbourne (b/s). An oddity. <i>Ex Askeland</i> . [Apparently a failed attempt to use the internal free frank privilege of Hobart's mayor to avoid payment on an inter-colonial article] | 500T      |

| 451 | C | B | <b>'DEFICIENT POSTAGE' MARKINGS - HOBART:</b> 1889 cover hopefully addressed to "Hardra GP Railway/Central Province/India" with Sideface 2d pair only tied by Hobart duplex & 'Deficient Postage ("2d")/Fine ("6d - 8d to pay")' h/s, Indian 'OVERLAND POSTAGE/DUE/AS/ 7 ' h/s on the face, re-addressed several times & endorsed "Not known" but this was crossed-through & boxed 'REFUSED' added. Numerous transits including an unusual boxed 'DLO/NAGPUR/POSTAGE DUE/1 ANNA' d/s on the face plus DLO b/s of Nagpur, Lahore, Bombay & the double-oval of Hobart. Quite a journey. [A note on the enclosed invoice complains about the many times the account has been rendered. Perhaps the underpayment of postage was deliberate!] | 400T |

Excellent origin/destination item: the message in Danish. [There was no postcard rate to Denmark so the letter-rate of 9d should have applied. Thus the postage due was 8d, & the fine should have also been 8d, a total of 1/4d due on a postcard!] | 400T |
