1946 stampless commercial cover to South Australia with a very fine & very early strike of the Type VIII cachet, 'T'-in-oval h/s applied at Adelaide, Postage Due 2d x3 & Queen Mother 1d *in lieu* of Postage Due affixed & tied by 'SECOND VALLEY/25OC46/SA' cds, minor blemishes that are of little consequence. A fantastic origin/destination cover - we would love to acquire one going the other way! - that is significantly enhanced by the unusual Postage Due aspect.
