COMMONWEALTH OF AUSTRALIA - Decimal Issues

This section includes the best selection of the ever-popular "Missing Colour" errors that we have ever offered. These are cross-referenced to "Pierron's Modern GB and Commonwealth Missing Colour Errors" (2008), which lists only "totally missing colours". References are made to the results for Sir Gawaine Baillie's errors that were sold at auction in Melbourne in July 2005, generally for stronger prices than were achieved in London for Tom Pierron's errors in December 2009.

Lot 318

318 ** A A1 1971 Air Force Anniversary 6c with the *Black Printing (Inscriptions and Vintage Aeroplane) Completely Omitted* BW #558c (Pierron #978Mca), unmounted, Cat \$4000 (£1700). With a normal stamp for comparison. Acquired for \$3450 at our auction of 22/4/2006. [The ACSC states that only 20 stamps were affected. Sir Gawaine Baillie's example sold for \$4600. Tom Pierron's example sold for £1880]
