### PHILATELIC LITERATURE - Proud Bailey Titles

The books in this section are all by or edited by Edward (Ted) Proud RDP, one of the most prolific philatelic authors of all time. In most cases these are the latest & in some cases the only postal history & postmark reference books that are generally available. All these books are hardbound, in as new condition, with colourful dust-jackets. The estimates are generally between 40 & 60% of retail prices. We use this series all the time and highly commend these books to our clients.
