WESTERN AUSTRALIA - Postal Stationery

Virtually all of the material in this section is from the excellent collection formed by Trevor Hiscock, first offered in our auction of 22/2/2013. At our vendor's request, most of the estimates have been significantly reduced. References to Dr Cecil Walkley are to our auctions of 14/4/2005 (stamps) & 27/11/2010 (postal history).
