A new discovery; only the third example - all used - recorded. [The ACSC states "The 'OS/NSW' puncture is believed to derive from a small quantity of these cards being included with 1d Kangaroo cards sent for puncturing. Only two used examples <i>[and none unused]</i> are recorded". It should also be noted that because BW #P1 was not released in NSW, this is the earliest possible 'OS/NSW' perfin on an Australian Postal Card. <i>John Sinfield's</i> example - minor corner bend - sold at the <i>Prestige</i> auction of 8/11/2013 for \$1840]	1,000

NAURU - Postal History**Lot 685**

685 CL B **1943** (Aug 19) stampless cover to Japan with two boxed chops in magenta & circular Censor's chop of *Hashiba* in red, peripheral blemishes. With the lengthy enclosed letter from *Tadao Hashiba* to a family member: Very few entire letters from the Japanese on Nauru have survived. *Ex John Darnell*: acquired at the *Prestige* auction of 17/2/2012 for \$2645.

The writer states (translated) "...My aim is to do all I can not to die in this insignificant place. Contagious disease, amoebic dysentery, is rife here and not a few have died from it....A deadly struggle is being waged day and night in the Solomons...though one is in no doubt that Japan will prevail...everyone without exception, officers and men, has had dengue fever this past month...I wonder what fate has in store for me...So far I've had only one letter." In addition to the ravages of tropical diseases, some 300 Japanese died of starvation & many others resorted to cannibalism. Nauru was surrendered to the Australians on 13.9.1945.

[The French Ligne P was a feeder service between Batavia & Singapore only. *Raymond Salles* at Vol V page 125 states (translated) "...the small number of pieces known makes it impossible to reconstruct the complete schedules from January 1867 to the end in 1884". In almost every case, *Salles* illustrates and quotes a price or gives a rating for every marking. For Ligne P, he doesn't even provide an illustration, an obvious indication of great rarity]
