Ex Lot 803

803	PS	A+	POSTAL STATIONERY: 1898 Scenic Issue Envelopes 2d & 2½d HG B2 & 3 complete set of the twelve views, unused. Superb! [These envelopes are among the most beautiful postal stationery items ever issued. Printed by Waterlow & Sons, only 308 sets were produced] (12)	2,500
804	PS	A	- 1901 Mining Series Letter Cards 2d HG A3 "TASMANIA MINE, BEACONSFIELD" (goldmining) and "WESTERN SILVER MINE, ZEEHAN", unused. Remarkably fine with none of the usual toning. (2)	250
805	SD		POSTMARKS: Collection neatly arranged in two stockbooks from early-KGV to modern rubber types, mostly on piece with numerous very fine to superb strikes including many "cleanskins" (no stamps), no great rarities noted but a handy basis for a new collecting interest. (100s)	300
