

Lot Type Grading Description

Est \$A

WESTERN AUSTRALIA**Lot 834**

834 F A **1854-55 Lithographs** 4d blue SG 3a, margins good to large, void grid cancel unusually in red, Cat £250 but worth a large premium for the cancellation. *Ex Lord Vestey.*

1,000^T**Lot 835**

835 G A **1857-59 Hillman Lithographs** 6d grey-black SG 19, good even margins, void-grid cancel, Cat £550. An attractive stamp.

350^T**Lot 836**

836 P A **1863 De La Rue Essay for a 1d White (!) Swan** design imperforate plate proof in ultramarine on thin ungummed unwatermarked paper, reduced to stamp-size with close but complete margins. A lovely item. *Ex Michael Brachi and Lord Vestey.* [Presumably this design was rejected because the Colony had only black swans. Only four examples - in different colours - have been recorded]

2,000^T**Lot 837**

837 P A **1864-79 Crown/CC** 2d imperforate colour trial in emerald-green on ungummed watermarked paper, margins close to large. *Ex Lord Vestey.* [The well-known series of colour trials - in which the 2d is in blue - are all on unwatermarked paper. [A similar example - slightly cut-into at the base - sold at the *Prestige* auction of 24/5/2008 for \$3910]

3,000^T

Lot 838

838 Ω A A2 - 6d violet with the *Watermark Sideways (Crown to the Right as seen from the Face)* SG 57b, well centred, characteristic irregular perfs, unused, Cat £750. [Gary Diffen advises he has recorded only five examples]

1,000^T

Lot 839

839 P A **1885-93 New Designs** master die proof of the design with blank value tablet on thin glazed card (92x60mm) with 'AFTER/STRIKING' & '23JAN89' handstamps, initialled to lower-right of the impression. An important proof. *Ex De La Rue Archives*. [This design was used for the 2½d to 1/- denominations]

2,500^T

Lot 840

840 Ω B **1905-12 Crown/A** ½d green *Imperforate at Base* from the last row of the upper pane BW #W4b, central thin, unused, Cat \$2000 used; unpriced unused. Rare: Gary Diffen advises he has recorded only one other unused example. [The ACSC states that five *[used]* examples have been recorded, including three in the *Western Australian Museum*. A used example roughly separated at the base sold at the *Prestige* auction of 14/4/2005 for \$4600]

3,000^T

Lot 841
