**Lot 694**

694 C B **PERU:** 1911 *Sanmarti y Ca* commemorative aviation card "Llegada a Lima del aviador peruano JUAN BIELOVUCIC/ENERO 8 DE 1911", vertical fold that has caused minor splitting on the face but it's not easy to see, unused. Rare. [Despite all the attention given to the various flights in 1911, this is the first we have learned of a flight in Peru. All Google results are in Spanish]
