PICTURE POSTCARDS - SUBJECTS

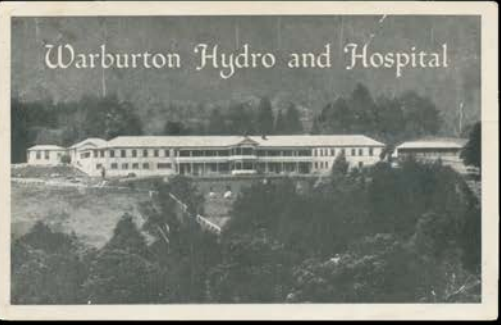

Ex Lot 147

147 C

HOSPITALS: A fascinating collection with strength in Great Britain, New Zealand, India & Canada (including a 2-panel panorama of *Sacred Heart* at Montreal), others from South Africa, Kenya, St Lucia, Tanganyika, Panama, etc, many *real photo* types including aerial views & an unidentified asylum destroyed by fire, Hospital Ships x2, condition variable but generally fine to very fine. *Ex Derek Pocock*. [We suggest avoiding "The Guest Hospital, Dudley" - what did they feed them? - but you might enjoy "St Cross near Winchester" where stated "No Dogs Admitted"!] (230 approx)

COMMONWEALTH OF AUSTRALIA

Ex Lot 294

294 C

- A fascinating collection with all States represented but strength in NSW with a terrific array from country towns many by local publishers, a couple of Lunatic Asylums & Private Hospitals, some excellent *real photo* types, condition variable but generally fine to very fine. By far the most extensive Hospitals collection we have seen. *Ex Derek Pocock*. (150 approx)

GREAT BRITAIN - Subjects/Themes

Ex Lot 632

632 C - Wide-ranging collection including Infirmaries, Convalescent Homes & Asylums, some unusual names such as "Bloxham School Hospital" & "The Poor Priests Hospital", many in converted stately homes (some during wartime) & some from the Tudor Period or earlier (notably St John's, Cirencester, founded by *Henry I*), a few Wales & Scotland notably "George Heriot's Hospital, Edinburgh" that looks rather like the Tower of London, many *real photo* types including aerial views & some artist cards, a good number from local publishers, condition variable but generally fine to very fine. *Ex Derek Pocock*. [We suggest avoiding "The Guest Hospital, Dudley" - what were they fed? - but you might enjoy "St Cross near Winchester" where it is proudly stated "No Dogs Admitted"!] **(160 approx)** 400

UNITED STATES OF AMERICA

Ex Lot 795

795 C - Wide-ranging collection in a weird album - you need to view it! - of mostly major facilities in key States but also representation from Alabama, Connecticut, Kansas, Louisiana, Montana, Nebraska, South Dakota, Utah & Washington State, noted Military & Veterans' Hospitals, "Boston Floating Hospital", "Chippewa Indian Hospital" & "Epileptic Colony at Abilene", lots of "linens" but also some excellent *real photo* types, condition variable but generally fine to very fine. *Ex Derek Pocock*. **(350+)** 300
