590	SD		<b>Large carton of kiloware</b> in bags etc, partly sorted by denomination, mostly on small pieces, noted some Penny Reds plus quantities of Single Wmk 1½d reds, 2d oranges & 2d scarlets etc. Appears to be largely from a Tasmanian source so there should be lots of Tassie postmarks. We expect, but can't guarantee, that this hoard is entirely unchecked for shades, varieties or postmarks, making it a potential goldmine for specialists.
