

Lot Type Grading Description

Est \$A

BANKNOTES - REST OF THE WORLD - ISRAEL**Ex Lot 335****335** DP

- 1955 50 Lirat *Bank of Israel*, Die Proofs in black showing nearly completed design of issued note (as *Pick#28*), Jerusalem Road between mountains, manuscript '125/31' at base, reverse geometric designs and denomination '125/34' at base, both showing exploded details as record of engravers *Secret Marks*, small repaired corner tear lower right corner. [When a banknote plate is completed, two or three tiny marks are cut in the plate, made to look as blemishes, a forger would hopefully neglect to insert them into reproductions, and therefore acting as an identification guide for officials] (2)
