**Lot 65**

65	**	A B1	1974 Paintings \$1 Light Horseman strip of five from the base of the sheet with <i>Black Printing (Inscriptions) Omitted from the Second &amp; Third Units</i> BW #664ca, unmounted, Cat \$9000. A striking error, that is believed to be <b>unique!</b>  The ACSC records two variants of this error. That illustrated at page 9/351 shows <i>Black Omitted</i> from the fifth unit & the '1' of '\$1' <i>Omitted</i> from the fourth unit. <i>Tom Pierron</i> says up to 15 examples are recorded. The second variant is that offered here. Both the ACSC and <i>Pierron</i> state that only one such strip has been recorded. It is stated that the black printing is completely omitted from the second & third units. In fact, the 'AU' of 'AUSTRALIA' is faintly printed on the second unit. We note also that the inscriptions on the other three units are all slightly defective]	4,500
