**Lot 184**

<b>184</b>	V	B A1	<p><b>1908-09 Shilling Values with Stroke</b> 20/- dull green BW #D75 (SG D62), exceptional centring, a little aged still but a very attractive example of this howlingly rare stamp, very fine part-strike of the distinctive '[PAR]CELS B[RANCH/GPO SYDNEY]' cds in violet, Cat \$75,000 (£50,000). One of the great rarities of Australian philately. This stamp has been submitted for a <i>RPSofV Certificate</i>.</p> <p>The ACSC states that this value was issued only in Sydney, that no examples were cancelled-to-order for presentation purposes or collectors' sets, and that usage was "extremely limited". It also states "...Two examples of...the 20/-...cancelled with the Parcels Branch Sydney datestamp in violet are recorded...One is badly creased..." The damaged stamp surfaced at an American auction in 2013 and sold for \$US28,750 despite the obvious damage.</p> <p>The stamp offered here is a new discovery, having been held for many years in a three-generation collection in New South Wales: see <b>Lot 280738</b>.</p>	25,000
