**OFFICIAL MAIL - FRANK STAMPS**

We are pleased to present the most extensive collection ever formed of this interesting material. Max Watson is the first collector ever to assemble examples of every frank stamp recorded on cover. His collection incorporates Carl Stieg's extensive reference holdings & collection, key items from Hans Karman's and Guy Linfield's collections, plus several important recent discoveries. The collection is offered alphabetically by "department" (an expression that is used rather loosely as it includes many officials as distinct from departments or ministries). Unless stated otherwise, impressions are printed, in black. Die patterns & rarity ratings are from the definitive study "Franked! The Official Mail of Victoria 1864-1902" by Carl Stieg & Max Watson (2008). The book includes a census of all items recorded until that time: items offered here are shown as "S&W #---". Note that items from the 1860s are rare, and from the 1870s are scarce: this collection includes more than twice as many as were in the Karman and Linfield collections combined. It should be noted that handstruck franks are often incomplete or badly worn: the quality of such strikes here is generally above-average, with many being quite exceptional. Probably 95% of all franked items are envelopes: this collection includes many postcards, plus very elusive wrappers, parcel tags, address labels & even a lettercard.

**Lot 268****268** CL

**PUBLIC INSTRUCTION, MINISTER OF:** Die 1 h/s very fine in blue on envelope (266x114mm; S&W #E140) with Laureates 6d tied by BN '255', oval 'FRAMLINGHAM/FE2/--/VICTORIA' (the only recorded example; no year slug) & 'REGISTERED'-in-oval h/s, Melbourne arrival cds of FE4/75, minor punch-hole at L/L. Most unusual. At the introduction of franks in 1864, registration fees were required to be paid but they were exempted from 1865. It is thus most unusual & irregular to find such a fee being imposed 10 years later. See also Lot **280931**. [Framlingham was established in 1861 as an aboriginal reserve run by Anglican missionaries]
