215	**/*	A B1	4d pale ultramarine marginal block of 4 from the left of the sheet, three units with small varieties, one unit lightly mounted otherwise unmounted, Cat \$525++.	280

Lot 216

216	O	A C1	<i>Comb Perf</i> 5d yellow-brown with <i>Major Damage</i> to <i>Upper-Right Corner</i> & <i>Nick</i> in <i>Upper-Left Corner</i> + ½d green on 1920 double-rate cover to the USA with 'KAPUNDA' (SA) cds that intrudes slightly on the affected area at upper-right. This variety is not illustrated in the ACSC. Their illustrations of the four recorded states of the 've' variety are so similar we actually query if they are accurate & if what we have here is, in fact, one of the listed states. Whatever the case, this is a major variety and, as such, an extremely rare usage on cover. [The rate was 2½d x2 + ½d War Tax]	500
