**Lot 572**

572	S		1934 Specimen KGV 1d, fully round pearls from headband to orb on top of crown, sharp legend, clearly visible detail in the moustache and beard, high rims and well defined denticles, attractive golden tone, <i>Renniks Cat</i> \$45,000. Superb! [Specimen coins were struck using circulation dies, but for record keeping or presentation purposes only. They were not available for purchase by the public. The examples known, although not exhibiting any unequivocal differences from the circulation strikes, can be identified by fully round pearls and more clearly defined denticles and rims.]	8,000
