PAPUA NEW GUINEA

973	**B	A	1952-2009 Collection in five expensive <i>Lindner</i> hingeless albums largely complete including M/Ss - missing most of the Emergency Surcharges & some minor issues - but including 10/- Bird 'SPECIMEN' & a few booklets, issues to 1979 are hinged, thereafter unmounted, also many used issues including from commercial mail. An exceptional lot for the thematic content, especially in the post-2000 issues. (Qty)	500 ^T
974	**	A B1	1985 Ceremonial Structures <i>Smaller Format & Without 't' in the Design</i> 10t to 60t, unmounted. Unissued. With a set of the issued stamps for comparison, in which the low value is 15t, not 10t as on the unissued stamp. [This is a weird situation. The unissued stamps were printed by <i>Leigh Marden</i> in Melbourne while the issued stamps were printed by the Spanish firm <i>Heraclio Fournier</i>] (8)	200
