**VICTORIA - Barred Numeral Cancellations**

We are pleased to offer the balance of the important collection formed by Max Watson from Melbourne. The first part of the collection was offered by us on 19.5.2018 and sold extremely well, supported by many collectors in the room. However, it's worth noting that the biggest buyer and the most prominent underbidder were both from the Northern Hemisphere. Clearly the value of such material needs to be re-assessed by local buyers.

606	SD	'1' to '2098' selection on unusual issues including Woodblocks 6d 'TOO LATE' & 1/- 'REGISTERED' x3, 1/- Octagonal imperf & perf pairs, Laureates ½d on 1d x3, 9d on 10d, 1/- & 5/-, Bell ½d block of 4 x4 & 1d green/yellow, Stamp Statute 6d x2 & 1/-, Large Stamp Duty 2/6d x3, 3/-, 5/- maroon & 5/- rosine, Later Issues to 2/- including 3d & 6d blocks of 4, Postage Dues to 4d including 1d block of 4, Frank cutouts, NSW 2d block of 6 & South Australia 4d, Kangaroos to 6d, a few KGV etc, many fine to superb strikes & a few better numbers including '73'[1], '82'[1], '84'[1], '652' & '787' all rated RR and '98'[1] rated RRR, condition rather mixed but a very unusual lot. <b>(148 items)</b>	600
607	SD	Collection of all-different duplexes mostly on pairs or on piece, numerous fine to very fine strikes & most are largely-complete to complete, some coloured inks, condition variable. <b>(346 items)</b>	300
608	SD	Collection of numerals all in blue, violet or magenta inks apparently all-different including two or three different colours from some offices, a few rated ones noted, quality of the strikes is rather mixed but most are good to very fine. A nice lot. <b>(250+)</b>	400

Ex Lot 609

609	SD	Collection of all-different numerals from '1' to '2098' selected for quality of the strikes the majority being graded A- to A+, some better stamps including Classics and some coloured inks noted. Includes strikes rated R x66, RR x28, RRR x4 (First Types of '17', '289', 'MCCC/14' & 'MD/60') and RRRR x2 (Fourth Type '16' & '2074'). An exceptional lot that would enhance any holding or form the basis for a new highly desirable collection. [A list of the rated numerals included in this lot is on our website] <b>(680 approx)</b>	2,500

Ex Lot 612

612	SD		This and the next three lots represent the balance of <i>Max Watson's</i> principal Barred Numerals collection. Each album has been well picked-over but lots of useful material remains. The condition is very mixed. Careful examination is recommended because even on this pass, the fifth or sixth time we have been through the collection, little nuggets kept being unearthed. Each album includes a number of strikes identified as great rarities, some of which we believe are correctly identified but are faint or partial only. Others fall into the hopeful to "wildly optimistic" class - these are each noted with a question mark - so <i>caveat emptor</i> : you have been warned!  '1' to '300' including Original Types for '53' (?), '103', '128', '141' (?), '167', '169', '182' (?), '190' (?) & '208' all rated RRRR, and '86' (?) & '283' both rated RRRRR. (many 100s)	1,250
