**Lot 755**

<b>755</b>	F	A B1	<b>1905-12 Crown/A Irregular Compound Perfs</b> 5d olive-green SG 163a Perf 12½x11x12½x12½, undercatalogued at £1800. <b>Believed to be unique.</b> <i>Chris Ceremuga Certificate</i> (2014, at which time the stamp was unlisted in <i>Gibbons</i> ) states "Genuine in all respects. Great rarity, this being the only example known to me". [The ACSC states in a footnote "...noted in the philatelic literature in 1915, and a used pair [was] offered at auction in 1947. No examples have been seen in recent times..." This is the discovery stamp on which the <i>Gibbons</i> listing is based. It was acquired at a Sydney auction in 2015 for \$6900, about double the catalogue value]	6,000
756	C	B	<b>POSTAL HISTORY:</b> 1907 PPC ('Post Office & Town Hall, Perth') to Queensland with 1d x2 tied by two complete strikes of the South Australian 'POSTED IN/LATE FEE BAG' cachet, couple of minor edge faults.	200
