**AUTOGRAPHS**

10:23 a.m. today, completing the first transcontinental non-stop flight by a woman.  
 Her time for the 2500 miles was 19hr. 1min.  
 Mrs. Putnam also won the distance flight record for women.  
 The previous record of 2000 miles was held by Miss Ruth Nichols, who flew from Oakland (California) to Louisville (Kentucky) last year.  
 Mrs. Putnam was nearly mobbed on her arrival by the crowd, whose anxiety had been increased by the fact that she was reported only once during the entire trip.  
 "It was a beautiful trip," she said. "If I had had the weather I had on my first attempt I would have broken the record."  
 On her first attempt recently she was halted at Columbus through engine trouble.  
 Mrs. Putnam flew mainly at a height of 10,000ft. She followed the air lines, but "cut the corners" a bit.
