VICTORIA - Revenues**Lot 751**

751	O	A B1	1884-96 Large Stamp Duty Litho 15/- mauve, neat manuscript cancellation. [This is a rare stamp in any condition. In our experience it is at least 50 times scarcer than the ever-popular 35/-. <i>Gibbons</i> price it at £650 used, which must be for fiscal usage because no postally used examples exist. A superb example in our last auction sold for \$472]	400
