

Lot Type Grading Description

Est \$A

**LETTER CARDS - 1918 'THREE/HALFPENCE' Surcharge on KGV 1½d Sideface****Lot 2203**

**2203** PS A- 'CARTING-FAR NORTH' (camel train) in purple LC36c, Melbourne 'HELP REPATRIATION/BUY WAR SAVINGS/CERTIFICATES' slogan cancel of 21JE/1920, small opening fault below the view, Cat \$5000. **Unique: an exceptional error.** *RPSofV Certificate* (1988). [The error presumably occurred because *Harrison* was printing the new 1½d cards at the same time he was surcharging the 1d cards. The ACSC states "The only recorded example is used at Melbourne 21.6.1920"]

This is such an outstanding and singular error that, although doubtless produced inadvertently, we believe it should have a full catalogue number. At present it is 'lost' in the entries for the 1½d on 1d cards. This is akin to the South Australian Crown/SA 'TENPENCE' on 9d
