### COMMONWEALTH OF AUSTRALIA - Airmail Covers - Commercial

We are pleased to offer the covers to overseas destinations assembled by our old friend John Booker from England.

Lot 523

523	C	B	<b>FIJI:</b> 1941 (Dec 15) with Hermes 1/6d tied by Sydney slogan, Clipper h/s in black, superb 'P.O./24DEC41/LAUTOKA-FIJI' arrival b/s. [An anomaly. The Clipper service was suspended immediately after Pearl Harbor was attacked on 7.12.1941. Mail intended for the USA or beyond was held at or returned to Sydney and forwarded via the 'Horseshoe' Route. However, the suspension was publicly announced only on 18th December. It is possible that this cover was forwarded by sea from Auckland instead of being first returned to Sydney]	200 <sup>T</sup>
